£785 pcm

Northam Road, SOUTHAMPTON, SO14 0PA

A collection of furnished studios are becoming available across six blocks on Old Northam Road, in a convenient Southampton city centre location. These homes are well suited to students and will be available in stages from late October through November.

Each room has its own kitchenette, fridge-freezer and en-suite bathroom. Furnishings include a bed and mattress and a wardrobe. Some rooms also have a desk, depending on their size and layout.

Laundry facilities vary: some rooms have their own washing machine, while others have access to shared communal areas with washing machines and dryers.

Energy performance certificate (EPC)

Flat 1 39a Northam Road SOUTHAMPTON SO14 0PD	Energy rating **D**	Valid until:	**30 May 2027**
		Certificate number:	**0957-2811-7453-9893-6885**

Property type	Ground-floor flat
Total floor area	14 square metres

Rules on letting this property

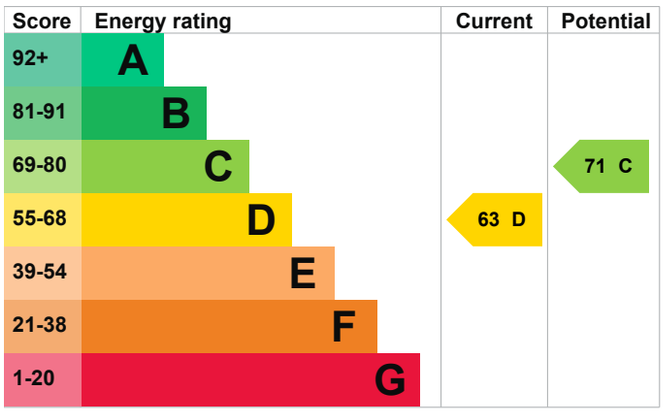

Properties can be let if they have an energy rating from A to E.

You can read guidance for landlords on the regulations and exemptions (https://www.gov.uk/guidance/domestic-private-rented-property-minimum-energy-efficiency-standard-landlord-guidance).

Energy rating and score

This property's energy rating is D. It has the potential to be C.

See how to improve this property's energy efficiency.

The graph shows this property's current and potential energy rating.

Properties get a rating from A (best) to G (worst) and a score. The better the rating and score, the lower your energy bills are likely to be.

For properties in England and Wales:

the average energy rating is D
the average energy score is 60

Breakdown of property’s energy performance

Features in this property

Features get a rating from very good to very poor, based on how energy efficient they are. Ratings are not based on how well features work or their condition.

Assumed ratings are based on the property’s age and type. They are used for features the assessor could not inspect.

Feature	Description	Rating
Wall	Solid brick, as built, no insulation (assumed)	Poor
Roof	Pitched, limited insulation (assumed)	Very poor
Window	Fully double glazed	Average
Main heating	Community scheme	Good
Main heating control	Flat rate charging, TRVs	Average
Hot water	Community scheme	Good
Lighting	No low energy lighting	Very poor
Roof	(another dwelling above)	N/A
Floor	Suspended, no insulation (assumed)	N/A
Floor	Solid, no insulation (assumed)	N/A
Secondary heating	None	N/A

Primary energy use

The primary energy use for this property per year is 569 kilowatt hours per square metre (kWh/m2).

How this affects your energy bills

An average household would need to spend **£368 per year on heating, hot water and lighting** in this property. These costs usually make up the majority of your energy bills.

You could **save £89 per year** if you complete the suggested steps for improving this property’s energy rating.

This is **based on average costs in 2017** when this EPC was created. People living at the property may use different amounts of energy for heating, hot water and lighting.

Heating this property

Estimated energy needed in this property is:

- 2,530 kWh per year for heating
- 1,611 kWh per year for hot water

Impact on the environment

This property's environmental impact rating is D. It has the potential to be C.

Properties get a rating from A (best) to G (worst) on how much carbon dioxide (CO2) they produce each year.

Carbon emissions

An average household produces	6 tonnes of CO2
This property produces	1.4 tonnes of CO2
This property's potential production	1.0 tonnes of CO2

You could improve this property's CO2 emissions by making the suggested changes. This will help to protect the environment.

These ratings are based on assumptions about average occupancy and energy use. People living at the property may use different amounts of energy.

Steps you could take to save energy

Step	Typical installation cost	Typical yearly saving
1. Internal wall insulation	£4,000 - £14,000	£48
2. Floor insulation (suspended floor)	£800 - £1,200	£12
3. Floor insulation (solid floor)	£4,000 - £6,000	£14
4. Low energy lighting	£15	£14
